## We Get Involved in ASHRAE!!!

At Total HVAC, we support the mission and vision of ASHRAE:

**Mission:**

To serve humanity by advancing the arts and sciences of heating, ventilation, air conditioning, refrigeration and their allied fields.

**Vision:**

A healthy and sustainable built environment for all.

The Ottawa Valley Chapter (OVC) is a positive influence in our industry that we want to support. This is why many members of our team have had important roles in the OVC in the past as well as continued participation today! The plaque pictured above commemorates the many roles played by Total HVAC staff over the years, including Steve Moons as President in 2014-2015

We are continuing supporters of ASHRAE events such as the golf tournaments, curling, Young Engineers in ASHRAE (YEA) activities and strong attendance at monthly meetings. We look forward to seeing you at the next one!
