

## Total HVAC New Hires!

We are proud to announce the addition of Bhavneet Singh to the Total HVAC Inside Sales / Project Management team. Bhavneet is a new graduate bringing fresh enthusiasm to the industry

Bhavneet looks forward to applying his knowledge of mechanical engineering technology as well helping our team provide excellent customer service as we continue to grow our business and take on challenging projects.

## Total HVAC New Hires!

We are proud to announce Ed Crilly is the new Parts Counter Attendant. Ed has over 30 years of experience as a welder fabricator so he understands how important it is to have the right components for the job.

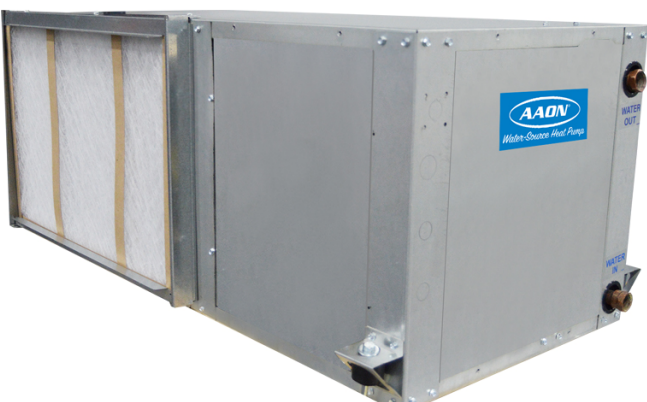

Ed is excited about this new venture as well as acquiring different skills in the process. Ed looks forward to developing relationships with customers to provide the best customer service possible
